## Broker Appleyard, Who Tried

#### STRIKES SNAG IN UNITED GAS

to break the "system" has been tested.

that he made up his mind that the grave did not end everything and that he would and to "tell the truth, as having given the theory of the Boston in ancier that a "panic can be created on virtually no capital" a practical trial. The experiment ended in a jolt to Mr. Appleyard, which put him out of business.

It has been claimed by another man, who is after the \$5,099 check put up by Lawson with his publishers to prove that the made up his mind that the grave did not end everything and that he would and the would that lies beyond this. It was then that he determined to live as long as he could and to "tell the truth, regardless of the consequences to myself or anybody eise."

Tried to Humiliate Him.

There was no detail of humiliation that Lawyer Richardson could inflict upon Orchard that was spared him. He made him tell where he got the clothes he wore, the shoes on his feet, the overcoat and the two would did not end everything and that the would that the would did not end everything and that the would that the grave did not end everything and that the would that the grave did not end everything and that the would that the grave did not end everything and that the would that the scott is. Putnam; refur, I from registry ordered. Complainant's solicitors, Everett, Mohar & Ewing. Could and to "tell the truth, regardless of the consequences to myself or anybody eise."

Tried to Humiliate Him.

There was no detail of humiliation that Lawyer Richardson could inflict upon orchard that was spared him. He made him the world that the spound in the world that the spound in the world that the would and to "tell the truth, was then that he determined to live as solicitors. W. H. Robon, Ralston & Siddous, and E. F. Colhaday.

Furnage: Vs. Furnage; substitution of purchaser ordered. Complainant's solicitors, Everett, Mohar & Ewing.

Chard the made have been did not everything and that the would in the world that the world that the world that the world that the would did not end everything and that the would did not end every man whose name will go down in history as having given the theory of the boston financier that a "panic can be created on virtually no capital" a practical trial.

The consequences to my-self or anybody else." The experiment ended in a jolt to Mr. Appleyard, which put him out of busi-

who is after the \$5,000 check put up by Lawson with his publishers to prove that obvious fallacy lies in the rule of the exchanges that speculators attempting the trick can be called upon for cash margins against their open trades.

# Even Appleyard Convinced.

gins by his fellow-members of the Phil-

600, and it is figured that the loss to the other brokers as a result of Appleyard's I transactions amounts to between \$50,000 it was in the person of Harry Orchard toand \$100,000, which should be reduced by day. the forced sale of his exchange member-

profit on the decline of the stock. Experienced brokers said he made a fatal mistake when he tackled U. G. I., probably the strongest of the local stocks. Even at that, the Lawson might have worked all right if the brokers hadn't with its witnesses.

"Didn't McPartland tell you that if you force of George S. Chase."

#### Appleyard's Boston Career.

ohio. The failure of the German Bank, of Buffalo, N. Y., about three years ago, was followed by the Indictment of Appleyard, who, it was alleged, had secured large sums from the bank in connection with his railway projects.

that, because whatever 1 told, I told of torneys, Brandenourg-Ballam & Wo. 4. Wilmarth vs. Pickett, what became of me, anyway."

Orchard went on to declare that he rever saw the governor until after he had confessed, and that the governor had made any promises to him, but never had made any promises to him, but the was sten."

His protracted fight against extradition doing right, and that he be ne of the strongest ever made at doing a great thing for the State and the ate house. Gov. W. L. Douglas country. states supreme Court, which decided against him about a year later, and he was taken to Buffalo, where, it is understood here, the case against him ultimately was settled out of court. Apple
"How does it feel to talk with a man limit with a man be comediated by the case of the state of th

## SHOOTING MATCHES ARRANGED

Arrangements have been completed for crowd. I never suspected that he was the annual rifle and pistol matches of the trying to 'bump me off' until after he the annual rifle and pistol matches of the army. A general order, issued Wednesday, fixes July 25 as the date upon which the rifle competitions will begin in the various departments. The matches for troops of the Atlantic division will take place at Fort Niagara, N. Y., under the direction of the commanding general of the Department of the East; for the Northern division at Fort Sheridan, Ill., under the produced three San Francisco witnesses, and of the Company vs. Richard Company vs. Robert State, as also will his daughter, Miss Cora also will his daughter, Miss Cora also will his daughter, Miss Cora peabody, who is also here.

Pois on Story Verified.

While Orchard's profession of faith was, of course, the feature of this sensational day's doings, it was not the only feature. After he left the stand, the State produced three San Francisco witnesses.

No. 4. Geldstein vs. Baltimore and Ohio Rail-load Company. Atterneys, MeNeill & MeNeill-Hamilton, Colbert, Yerkes & Hamilton. No. 5. Capital Construction Company vs. R. Ross Perry & Son-Raisten & Siddens. No. 6. Kaufman vs. Metzier. Attorneys, R. Ross Perry & Son-Raisten & Siddens. No. 7. Kebabian vs. Hekimian. Attorneys, R. Ross Perry & Son-Eugene A. Jones. No. 8. quick to see the trend his mind was tak-

but now shook and grew thick and husky, that he made up his mind that the grave

wore, the shoes on his feet, the overcoat that he had left in the ante-room, the Bibles that he sent to the woman he wore, the shoes on his feet, the overcoat Bibles that he sent to the woman he married in Cripple Creek.

He questioned him minutely about the Mitchell. number of times McPartland saw him.

He made him tell all be know about the Leighton.

No. 455. Fowler vs. Fowler. Attorneys, Forrest-Appleyard, if he could be interviewed effort he made to get Steve Adams to tiss-Campbell.

No. 49. McEven vs. McEven. Attorneys, Fitts-day, doubtless would admit such a confess to McPartland. He drew out Harlow and Lusby. flaw exists. He was called upon for margins by his fellow-members of the Phil-adelphia Stock Exchange against the named Weller after Orchard had told Value via the sentence of a murderer vs. Chew Huidekope adeipnia stock Eachange as Improvement the chief executive that he was sorry Easby-8m stock, which he had sold. He could not for him; that the governor, when he No. 488 put up, and he was to-day declared incame to see him, shook hands with him

for him; that the governor, when he No. 488. Smith vs. Dahlgren et al. Attorneys solvent. and called him "Harry," and that No. 471.

solvent.

The Boston stock market prophet, turned author, claimed in his book that as long as a member of an exchange was able to talk and be heard he could sell stocks, and no one could stop him. It was the flood of shares that "Brownley" threw upon the market that demoralized the whole financial world and ruined the "system," so the Lawson tale ran.

It was a great panic, the biggest ever, and millions upon millions of dollars of profit went to the hero as the result of his iron nerve. It would seem as if Appleyard had been a close reader of the Lawson book.

How He Struck the Snag.

The sales of Appleyard, made yesterday, represented at the price the shares were

represented at the price the shares were sold, a valuation in round figures of \$1.254,600 and it is figured that the loss to the inside that Lawyer Richardson did not
